

PRESS RELEASE

## Sunhillo voted one of NJBIZ Best Places to Work in NJ for 2020

*This is Sunhillo's fourth time being voted by NJBIZ for the Best Places to Work in NJ*

West Berlin, NJ, April 16, 2020 –100 Best Places to Work in NJ 2020. Sunhillo is honored to have been selected as one of the 2020 NJBIZ Best Places to Work in NJ for Medium sized business category. The final ranking out of 100 will be announced during the awards ceremony to be held in Freehold, NJ on September 17<sup>th</sup>. Sunhillo is a proud NJ business, incorporated in 1991, with our headquarters based in West Berlin.

Sunhillo is an employee owned company and everyone works together to create an environment that shows the pride the employees have for the products and services they are delivering. As a testament to the employees dedication, 100% of Sunhillo employees answered “I am willing to give extra effort to help this organization succeed” and “I plan to continue my career with this organization for at least two more years” on the NJBIZ anonymous survey.

Sunhillo offers flexible hours including half-day Fridays, annual holiday parties, company picnics and complimentary Keurig coffee every day. These are just some of the benefits Sunhillo provides to employees to help show the value they bring to the company, which has led to many people staying with the company for well over 10 years.

For 29 years, Sunhillo Corporation, an ISO 9001 certified company, has been providing products, services and expertise to the FAA, US DOD, Air Traffic Control (ATC) industry, and Air Traffic Management (ATM) partners worldwide. Sunhillo has become the preferred provider of surveillance data distribution products, services and systems to the FAA, the U.S. DOD, and civilian ATM providers across the globe. Sunhillo Corporation also provides hardware and software engineering, second level engineering support, test and evaluation services. Sunhillo Corporation has a long history in providing solutions support, as valued teaming partner to the FAA including staff onsite at the William J. Hughes Technical Center in Egg Harbor Township, NJ.
